YOUTHFUL POLYGAMIST

VOL. VI. NO. 18.

A Young Man of Twenty we Accused of Maring Four Wives.

ATLANTA, Gu., Jan. 8.—Benjamin Burion, whose imprisonment on the charge of having four waves and four living methers in law has aircardy been announced, still defines the charge, but the evidence section-lates against him. Three years ago fourion came to Allanta, and in a short time secret work in the smilary department. He soon found favor with the sanitary inspector. He was ambilions and secured a position in the fire department. He is quite a good-leoking young man, with sufficent position in the fire department. Hele-quite a good-leoking young man, with sufficient education to make his way in the world, and rapidly found friends. Burton's appearance made him a favorite also with the ladies, and on the loth of August last he was married to Miss Delia Wilson, of this city. His bride was handsome and well connected, but a cloud came ever their happiness. Thursday morning a comely good-leoking brandte up.

a comely, good-looking brumtle ap-peared at police headquarters and asked for Chief of Police Connelly. The chief

he called upon him to surrender the man drew his revolver and blazed away, the built striking the officer on the left said of the face, giancing along the bone and

but especially to Burton, who said: "I six dolog well here, and if you give me away I'll less my job."

"I have nothing to give away," answered Mrs. Burton, "I am done with you."

They parted, the man to go on with his work and the woman to follow hers. A work and the woman to follow here. As few days ago, however, the lady assess tained for the first time that Berton had married in Atlanta. When the prisoner reached the city prison and was confronted with the crarge of bigamy, he mante soil groat surprise, and dealed it emphasization. However, he was given a berth in the cell, and in short time was confronted by the complaints, who apparently recognized brother had been taken an noar earlier.

Physicians were at hand to attend to the wants of the unfortunate man, and they prenounce the wound mortal and predict that death is only a question of a few hours.

After the first shooting Chief of Pelice Jackson and Officer Kehrs mounted their horses and deve to Beaman, a small station seven miles north of Sedalle, where they abandoned their horses and started on the return trip, walking on the railroad. ried a Miss Lula Robertson, of South Care-lina. There he married the comptainant and after leaving her had game back to South Carolina, where he had married Miss

Luia Kuil, whom he descried when he came to Atlanta.

Yealerday Burton said, "apeaking of the Banks County wite, "Befare Ged, I never saw the woman until Thursday. Last night there was a man here who said he knew the woman from Homer, and that she is no other than the wife of John Coffes, who killed Metritt some time ago near Gainesville. It was something about the man that led to the difficulty. You see she has been spotted already." to Atlanta.

county jail before it was known to the outside public. Excitement is at fower heat, and if Gossage dies an attempt will probably be made to take his murderer from the sheriff and lynch him.

Telegrams have been sent to secure the presence of the two South Carolina ladies presence of the two South Carolina ladies. the sheriff and lynch him.

The prisoner gives his name as T. Johnson, a railreader by occupation. He came who are said to have been the marital relative states of the later and other points had worked at Palestine and other points two years of ugo. His Atlanta wife and her relatives are chaging to bim closely.

COAL CARS IDLE.

Coal Cars Idle on the Reading Read-No Break in the Banks of the Strikers READING, Pa., Jan. U.—The run of coal down the road since midalght was but 301 cars, while three weeks ago to day there the influence of liquor.

In addition to shooting two efficers list hight the despirated also three a switch in the Missouri Pacific yards and ditched an engine and three freight cars.

Washington, Jan. 10.—The Atterney-day to damped through this city the books abow that the number of coal cars in active service on the road of Missouri submitted a motion in the United States Supreme Court yester, day to damps, for want of jurisdiction, the coal carying trade, each containing account for the murder of Charles A. Prelior, maintaining that the case did not present a Federal question and this course for the prisoner argued in a voluminous brief that the case presented federal questions for the reason that upon the trial the validity of a statute of the State of Missouri was called in question on the ground of the repugnance to the Constitution of the United States; that the prisoner was inconced by means of a conspiracy and a plot to testify against himself, contrary to the prohibiton and guaranty of the Fourteenth under the indictinent, sub-sequently remedied by the proposition and guaranty of the Fourteenth under the prohibiton and guaranty of the Fourteenth under the prohibiton and guaranty of the Fourteenth under the prohibiton and guaranty of the Fourteenth under the proposition in the prohibiton and guaranty of the Fourteenth under the prohibiton and guaranty of the Fourteenth under the prohibiton and guaranty of the Fourteenth under the proposition in the propos cars, while three weeks ago to day there

POTTSVILLE, Pa., Jun. 9.—There is nothing to record in the progress of the rail-road miners' strike as having transpired here yesterday. The local assembly of here yesterday. The local assembly of Kaughts of Labor held a macting, and it being Sanday the attendance was unusually large, but nothing of moment was evolved. From all reports received up to last night there will be nester accessions to nor any defections from the number of colliers at work at present. The regular capacity of the Brooksido colliery in 220 cars a day, while not more than twenty a
